

CONRES GLOBAL PARTNER SOLUTIONS

Simplify Your Global Supply Chain

What if you could offload the complexities of managing a global supply chain? Instead of taking on burdens like product fulfillment, logistics, vendor management, billing, taxes, and compliance with local laws, let us do it for you.

ConRes Global Partner Solutions (GPS)

GPS facilitates the needs of your global supply chain from start to finish. Leverage our dedicated expertise, decades of experience and international presence to get your multi-vendor solutions into production at your data centers conveniently and cost-effectively.

What makes ConRes GPS unique:

Global footprint, local know-how

Trust our experience in managing international billing, taxes and compliance with local laws.

Removing costs and complexities

Offload the processes of product fulfillment, delivering solutions in country, in region and on continent and local professional services.

Supply chain strategy

We take your infrastructure's needs by country, by region and by currency, designing a strategy that delivers your solutions to their destination in the most efficient, cost-effective way.

Procurement consolidation

Minimize suppliers, reduce your supply chain costs and improve efficiency by centralizing global procurement entirely within the walls of ConRes.

Establishing Global Presence

We've established a global presence so our customers can do the same

How We Lead Your Global Logistics

We take on the complexities of your global rollout.

International Desk

Our International Desk gives you a dedicated team of experts who will manage every aspect of compliance, regulation and logistics throughout your global rollout.

Product Classification

We review all HTS and ECCN codes to ensure correct declarations so we can advise accurately on all taxes and duties. We'll make sure there are no hidden charges or surprises in relation to product use in country and obtain all necessary licenses and permits.

Customs Clearance

It is critical for you to work with a partner like ConRes that knows how to navigate through customs red tape. It is critical to understand the steps, which is why having an experienced and professional partner on your side is critical to your success.

Export and Import Permits and Licenses

Save your team from having to apply for and submit all necessary imports/export documents.

Delivery Duty Paid (DDP)

Accelerate shipments and cut through red tape by prepaying any duties or taxes to customs on your behalf *before your shipment even arrives.*

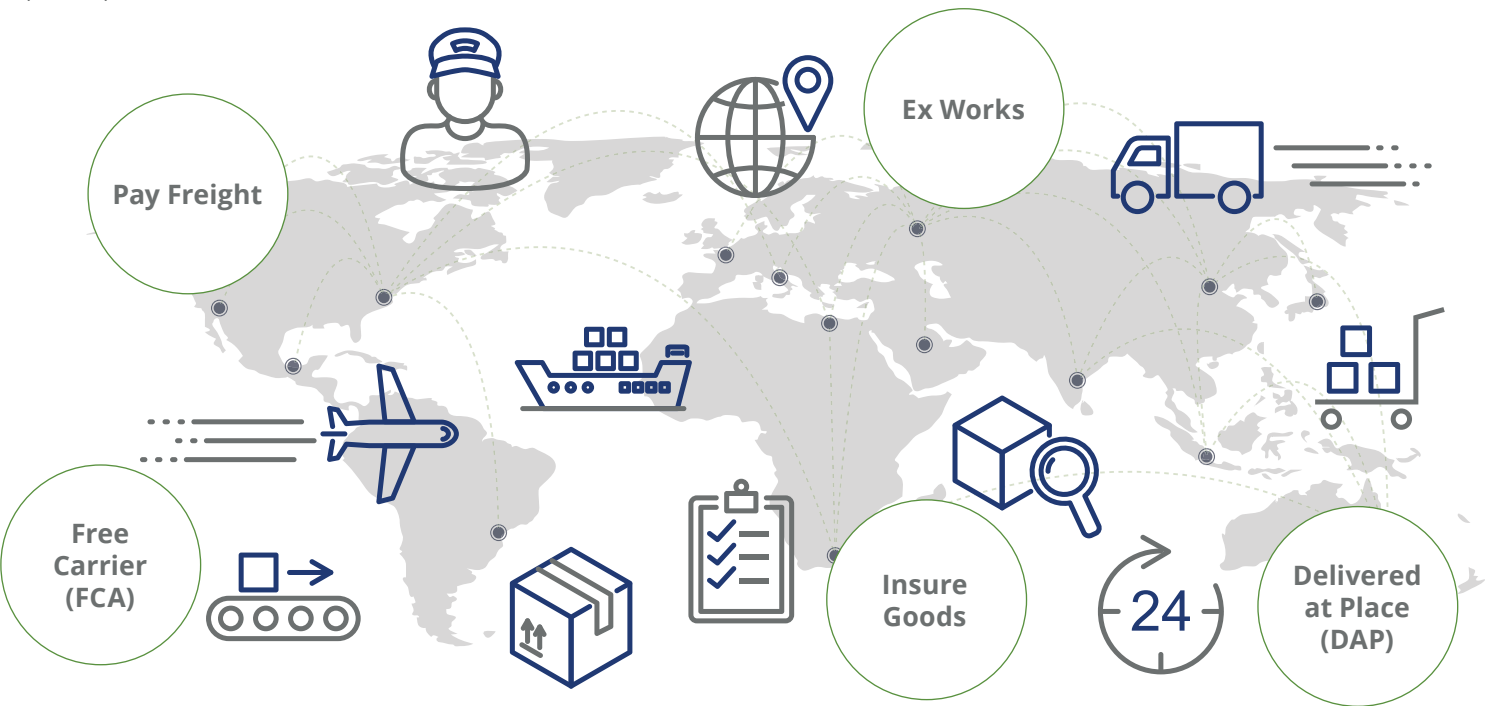

Harmonized Tariff Schedule (HTS) and Export Control Classification Number (ECCN) Codes

ConRes understands global product classification codes and will handle all paperwork and document filing on your behalf.

Importer and Exporter of Record Services

Expedite shipping and minimize lead times by letting us apply to become your Importer and Exporter of Record so your experts can stay focused on strategic initiatives.
